**Don Ernsberger : Paddy Owen's Regulars: A History Of The 69th Pennsylvania Irish Volunteers** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paddy Owen's Regulars: A History Of The 69th Pennsylvania Irish Volunteers:

0 of 0 people found the following review helpful. Awesome.By CustomerThis book is amazing. The grammatical

errors do not detract in the slightest from the experience of reading this book. The first person accounts, letters, after action reports, and other formats used to help tell the story of this regiment bring their experience to life. The suffering and heroics of the men of that regiment were honored by the obvious painstaking effort done to tell their story. If you are interested in expanding your knowledge of the regiment, the experience of the Irish during the war, or the Civil War in general, I highly recommend this book. 3 of 5 people found the following review helpful. Proofread!!!! By Sherman Peabody I paid nearly 80 bucks for these 2 volumes and found that the book is riddled with errors that should have been caught before this was published. Missing letters, wrong numbers, sentences that make no sense at all, and all for a steep price. The 69th deserves something better than this.
