**Tom Calarco, Cynthia Vogel, Kathryn Grover, Rae Hallstrom, Sharron L. Pope, Melissa Waddy-Thibodeaux :** **Places of the Underground Railroad: A Geographical Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Places of the Underground Railroad: A Geographical Guide:

0 of 0 people found the following review helpful. Indespensible for researching the underground railroad in NYBy

Paige Bucherschrank This trilogy of Tom Calarco books, this one, *The Search for the Underground Railroad in Upstate New York*, and *People of the Underground Railroad: A Biographical Dictionary*, contain an incredible amount of detail on the Underground Railroad in upstate New York while at the same time being very readable. His own interest comes across in his books. There is a great bibliography in the back of the book if you feel compelled to do more research on your own. The book is already arranged like an encyclopedia but there is an index so you can find topics in the sidebars and within entries. There are so many books with New York in the title or description that turn out to be only about New York City. The people traveling the Underground Railroad had to get through the whole of New York STATE to get to Canada and travel through upstate New York was different from treading the sidewalks of New York City. I wish the price were lower ...

This up-to-date compilation details the most significant stops along the Underground Railroad. • Approximately 75 A–Z entries cover the most significant stations on the Underground Railroad • Illustrations and maps help readers envision routes and strategies of railroad "conductors" • Interactive sidebars offer a firsthand glimpse into the arduous nature of Underground Railroad journeys, the decisions made, and the plans involved • Primary source letters and diary entries detail actual incidents that took place • A chronology includes important events related to the Underground Railroad from the Colonial Period to the Civil War • Suggested reading sections after each entry and a general print and nonprint bibliography act as a guide for further research

"... there are a great number of interesting case studies of individuals and groups, and events on the road to freedom. It also includes a chronology, maps and suggested reading." - Akron Beacon Journal "For researchers, historians, and travelers interested in investigating places and structures, the entries offer anecdotes and events to pique curiosity." - Booklist

About the Author Tom Calarco is a teacher, lecturer, and author of three books on the history of the Underground Railroad. Cynthia Vogel is a retired educator and member of the adjunct faculty with Edison Community College in Piqua, OH. Kathryn Grover is an independent researcher, writer, and editor. Rae Hallstrom is an award-winning writer, Ameriku artist, former radio talk show host, patent-holding inventor, and engineer. Sharron L. Pope is a freelance writer and playwright. Melissa Waddy-Thibodeaux is a professional historical reenactor, lecturer, and researcher.
