**Mary Madison : Plantation Slave Weavers Remember: An Oral History** before purchasing it in order to gage whether or not it would be worth my time, and all praised Plantation Slave Weavers Remember: An Oral History:

1 of 1 people found the following review helpful. Worth your time and considerationBy bandFor full disclosure, I know Mary and have been eagerly awaiting her book. I know the hours of research and study she spent creating this book. She focused on weaving as the foundation for her search and brings to us a picture of the day to day life and overwhelming trials that were encountered. This is a difficult time in racial dialogue in our country, Mary bridges this

carefully with sensitivity and balance. For a good picture into what life was like as a slaves, this is worth your time.0 of 0 people found the following review helpful. Five StarsBy MarianneFascinating book written by my weaver friend about slavery and the slave weavers. A must read.0 of 0 people found the following review helpful. Wonderful book. Great addition to my Fiber LibraryBy Pam HowadWonderful book. Great addition to my Fiber Library!

The narratives of former slaves and the children of slaves in Plantation Slave Weavers Remember is an oral history of the weaving, spinning, dyeing and knitting activities of African-Americans during enslavement. It offers a glimpse into day to day activities on plantations and farms committed to the growth and profitability of their operations through slave-based labor.

About the AuthorMary Madison received her M.S. Degree in Organization Development from Central Washington University. She has worked in corporate consulting organizations assisting management with program evaluations, needs assessments and conflict resolution. She is an accomplished fiber artist. Her work has been exhibited in galleries in Washington, Ohio, Colorado and Canada. Mary resides in Colorado and is an active member of several weaving guilds and surface design groups.
