Jean Muteba Rahier, Percy Hintzen : **Problematizing Blackness: Self Ethnographies by Black Immigrants to the United States (Crosscurrents in African American History)** before purchasing it in order to gage whether or not it would be worth my time, and all praised *Problematizing Blackness: Self Ethnographies by Black Immigrants to*

the United States (Crosscurrents in African American History):

This cutting-edge piece of scholarship studies the invisibility of the black migrants in popular consciousness and intellectual discourse in the United States through the interrogation of actual members of this community.

About the Author Jean Muteba Rahier is an Associate Professor of Anthropology and African African Diaspora Studies at Florida International University. He currently serves his second term as Director of the African African Diaspora Studies. Percy C. Hintzen is Professor of Global Sociocultural Studies at Florida International University.
