Bobby E Wright : Psychopathic Racial Personality and Other Essays before purchasing it in order to gage whether or not it would be worth my time, and all praised Psychopathic Racial Personality and Other Essays:

4 of 4 people found the following review helpful. Critically important to the study of the Racial Personality By Linda J. Jenkins This book is "highly recommended" to all parents of children of color. Dr. Wright was a "trailblazer" of his time, and the information is still relevant, and of critical import, today. I would have loved to read more books and reports, penned by Dr. Wright, but he died relatively young. His works will live on, and for that, I'm grateful. 2 of 2 people found the following review helpful. Five Stars By Jonathan Awesome book 2 of 2 people found the following

Presents a thought-provoking examination of the group personality of Europeans, as manifest in their behavior towards Black people. In the essay ""The Psychopathic Racial Personality,"" Dr. Bobby Wright contends that viewing white behavior towards nonwhites as psychopathic provides a new lens through which to analyze and combat the actions and aims of Europeans. The essay ""Black Suicide: Lynching by Any Other Name"" positions the phenomenon of Black suicide within the context of centuries of white genocide. In other essays Dr. Wright discusses ways in which to best educate Black children and sheds new light on the evolution of white supremacy.
