**Joseph F. Healey : Race, Ethnicity, Gender, and Class: The Sociology of Group Conflict and Change** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Race, Ethnicity, Gender, and Class: The Sociology of Group Conflict and Change:

0 of 0 people found the following review helpful. Great sociology perspective By Tricia Story This is a great book. I bought this book for a purpose of sociology class. The book is made very well. This book also is very interesting not only for students but also for people who are more interested in a sociology perspective. 0 of 0 people found the following review helpful. was a great book. I was surprised how much I really ... By queenb Used for my human relations course, was a great book. I was surprised how much I really enjoyed it. It did a great job of covering things in full honesty. I learned going to a South Dakota University many have no idea about the American Indian Movement and all of the history with it in their own state. This book talked about AIM, was a big eye opener to many of my

classmates about the history in the 1970's in their of state.0 of 0 people found the following review helpful. The book I received in the mail does not have ...By CustomerThe book I received in the mail does not have the cover and had a page completely ripped out of the book laid on top that I taped back on.

Joseph F. Healey's *Race, Ethnicity, Gender, and Class*, Sixth Edition builds upon the bestselling status of the prior editions, praised for the author's writing style and the various effective pedagogical features that ensure students engage with core concepts in a meaningful way. With many updates and revisions, this edition once again uses sociological theory to tell the story of race and other socially constructed inequalities in the United States with consistency and clarity. Chapter-ending current debates based on the writings of prominent scholars spark classroom discussion on important issues, and first-person accounts, "Narrative Portraits," are threaded throughout the text to bring life to a variety of topics.

About the AuthorJoseph F. Healey is Professor Emeritus of Sociology at Christopher Newport University in Virginia. He received his PhD in sociology and anthropology from the University of Virginia. An innovative and experienced teacher of numerous race and ethnicity courses, he has written articles on minority groups, the sociology of sport, social movements, and violence, and he is also the author of *Statistics: A Tool for Social Research* (10th ed., 2014).
