David Maxwell : Race in a Post-Obama America: The Church Responds before purchasing it in order to gage whether or not it would be worth my time, and all praised Race in a Post-Obama America: The Church Responds:

0 of 0 people found the following review helpful. Horace..ArkansasBy CustomerExcellent and on point.2 of 3 people found the following review helpful. Inspiring, insightful, and challengingBy Jose Manuel Capella-Pratts, M.DivThis is a must read for anyone eager to learn about, and willing to be (and work for) the change this country desperately needs.1 of 1 people found the following review helpful. Digestible and helpful. It's a short book with short ...By Eric

Peltz Digestible and helpful. It's a short book with short chapters that lends itself quite well to small group discussion. If I were to choose one book to introduce issues of white privilege and racism to a church, this would be the one. It's accessible without dumbing down the very real history. I used this book in a group study and it was well received.

Recent events in the United States have provoked not just a willingness to discuss issues of racism in this country but a desire to do something meaningful to confront it. *Race in a Post-Obama America* offers concerned Christians the chance to clarify terms and issues around racism and discern how to respond. The reader will learn the basic definitions and history around racism in the United States, be presented with current thoughts on institutional racism and what is to be done to end it, and learn about specific actions individuals and churches are taking. Designed for individual or group study, the book includes questions for reflection and discussion.

About the Author David Maxwell is an editor for Westminster John Knox Press and *The Thoughtful Christian*. He is a Presbyterian minister who has lived and worked with marginalized communities in New York City and southern Chile.
