**Tom J. Edwards : Raising the Banner of Freedom: The 25th Ohio Volunteer Infantry in the War for the Union** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Raising the Banner of Freedom: The 25th Ohio Volunteer Infantry in the War for the Union:

1 of 1 people found the following review helpful. 25th Ohio By B. E. Nasser I found the book to be informative and

filled in some blanks that existed in the family history. I have 2 cousins that served in the 25th and the book gave some insight into the campaigns. The alphabetical listing of soldiers along with their service is quite complete. A good book if you had someone that served in the Civil war and a good reference for those who had relatives that actually served in the 25th. Benny

The story of the American Civil War is best told by those who lived it and endured the hardships, heartaches, and sacrifices on the battlefield and throughout long, hard-fought campaigns. Bvt. Colonel Edward Culp brings us telling accounts of the 25th Ohio Volunteer Infantry, cited in Fox's *Regimental Losses in the American Civil War, 1861-1865* as one of the 300 fighting regiments of the Civil War. *Cross Keys*, 1862. "The deafening roar of musketry and the wiz of grape and canister. The crushing of timber by the dread missiles mingled with the unearthly yells of opposing forces and the moaning of the dying and the screams of the wounded. Oh God, how terrible is war..."-Sgt. T.J. Evans Gettysburg, 1863. " under the cover of smoke, the rebels made a desperate charge and succeeded in gaining the very crest of the hill (Cemetery Hill). Among the batteries the fighting was hand-to-hand."-Lt. E. C. Culp Honey Hill, 1864. "A tremendous roar of musketry had commenced along the line, but we steadily advanced, right into the tangled wall of vines and briers, which clung to us as we tore our way through them."-Cpl. Samuel Wildman

About the Author Tom J. Edwards holds an MBA and has nearly thirty years experience in positions of business management and college administration, currently working with South Carolina Technical Education system. Edwards' research skills won two successful National Register Historic District nominations. He is past president of the South Carolina Archeological Society.
