Ron Field : Rally Round the Flag: Uniforms of the Union Volunteers of 1861: The New England States before purchasing it in order to gage whether or not it would be worth my time, and all praised Rally Round the Flag: Uniforms of the Union Volunteers of 1861: The New England States:

0 of 0 people found the following review helpful. Early Union American Civil War UniformsBy JamesThis work provides many primary source descriptions of the very diversely uniformed Union Army of 1861. State issued clothing provided to 90 day, two year, and three year units of the New England States is covered. Quit a few of the pre war raised State Volunteer Militia uniforms are described as well. Every page contains either or both period photos and color photos of preserved items. All photos are completed with a detailed caption. I hope to see more to come covering the other states of the Union.0 of 0 people found the following review helpful. I would not recommend it to the casual

fan but I would consider ...By Feldmar Twomblebee I am a uniform history buff especially for the Civil War and bought this because it had information I had never come across. I would not recommend it to the casual fan but I would consider this a good bet for the hard core enthusiast. 0 of 0 people found the following review helpful. Five Stars
By Mark Arminio
Great Transaction No Problems

This volume examines what the citizen soldiery of the New England States wore when they marched off to save the Union in 1861. An exhaustive search of thousands of newspapers yielded a myriad of reports and personal accounts from soldiers letters, which together offer a hitherto unpublished view of the stirring events during the first few months of the Civil War. Combined with fascinating detail from numerous diaries and regimental histories, the author is able to describe the appearance of the Union volunteers of Massachusetts, Rhode Island, New Hampshire, Connecticut, Vermont, and Maine. The narrative is enhanced by photographs of original uniform items from private collections, plus imagery of the day showing the great variety of clothing and headgear worn. Accepted by The Company of Military Historians, this is an essential reference for collectors, living historians, modelers, and curators, as well as anyone with a general interest in the Civil War.

This book examines what the citizen soldiery of the New England States wore in 1861. An exhaustive search of thousands of newspapers yielded a myriad of reports and personal accounts from soldiers letters, which together, offer a stirring view of events during the first few months of the Civil War. The combination of detail from numerous diaries and regimental histories with extant images and artifacts enables the author to describe the appearance of the Union volunteers of Massachusetts, Rhode Island, New Hampshire, Connecticut, Vermont, and Maine. --Military Trader
About the Author
