DiffleyI wanted to read from Robert E Lee's own words, complimented by his

son's introductions to each letter - that I accomplished though the running format of this edition makes it hard to read follow. Unsure if this is how the original was published or just how "First Rate Publishers" chose to reproduce this work. Also unsure if it's complete.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
