I been reading civil war books for 50 plus years and a long time member of the Sons of Civil War Veterans, so you know I'm into it. BUY THIS BOOK, it has more insight into the officers who fought the war, then any other book, I ever read. He makes it clear, its his insight, he calls it like he feels is right. He gets down and dirty, after the war, he was sitting with General Johnson talking about his scars. One big one on his head, he asked where that came from. Johnson reply was a cherry tree that he fell out of and had to run for it, with the farmer close behind. Buy it.0 of 0 people found the following review helpful. Sorrel's prose is graceful and direct; His 'Recollections' admirably accessible, interesting, revealing and colorful.By Jon D RolfsonSorrel's prose is graceful and direct. His 'Recollections of a Confederate Staff Officer' is admirably accessible, interesting, revealing

and colorful. Reading this short book, I was repeatedly conscious of *deja vu*: Sorrel's 'Recollections' must, as a matter of ratio of quotation and/or paraphrase to its entire text, be among the most frequently utilized of Civil War memoirs in the preparation of newer and broader histories and analysis. 1 of 1 people found the following review helpful. Moxley Soerel has a bit part in Gettysburg Movie. By David Rasch But he was essential to General Longstreet. He had the job of understanding and interpreting the general's intentions. This meant understanding his language and way of expressing himself.

Gilbert Moxley Sorrel (February 23, 1838 – August 10, 1901) was a staff officer and Brigadier-General in the Provisional Army of the Confederate States.
