William Harwar Parker : Recollections of a Naval Officer, 1841-1865 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Recollections of a Naval Officer, 1841-1865:

0 of 0 people found the following review helpful. Great Book! By Technocrat Fantastic read of a well written book. 0 of 0 people found the following review helpful. Five Stars By david w reinhart great book 0 of 0 people found the following review helpful. Well-written, entertaining, excellent prose By Edward H. Wiser Many Victorian writers fill their work with such flowery, stilted prose they often obscure their topic rather than illuminate it. Parker is a laudable exception. He writes well, maintains a sense of accuracy, does not try to refigure the war, and tells his tale with humor

and humanity. This is one of the finest, most objective and truthful Confederate memoirs I have ever read. Craig Symonds is the Dean of Civil War naval historians and has done a superb job bringing Parker's work to a large audience.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
