From Brand: Utah State University Press : Recollections of Past Days: The Autobiography of Patience Loader Rozsa Archer (Life Writings Frontier Women) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Recollections of Past Days: The Autobiography of Patience Loader Rozsa Archer (Life Writings Frontier Women):

0 of 0 people found the following review helpful. Highly Recommend for church history buffsBy Caitlin CovellThis book is simply incredible, with such detail about the life Patience lived. The book arrived sooner than expected, which is great, because I am using Patience and her journal as a subject for a women's rhetoric project this semester. I can't wait to delve further into her story.1 of 2 people found the following review helpful. Patience Loader Roza ArcherBy Janet W. HickmanI love reading journals of frontier women. Patience had an incredible life. It's fun to share her day to day living.

Patience Loader has become an icon for the disastrous winter entrapment of the Martin and Willie handcart companies, who traveled the Mormon Trail in the 1850s. Her autobiography offers an important record of those events, but also of much more. Wife of a Civil War soldier, Patience served as an army laundress in Washington DC and ran a boarding house as well. After the war, her husband died of consumption, and Patience returned to Utah alone, where she became a cook in a mining camp.
