Andrew Mollo, Anton Shalito : Red Army Uniforms of World War II in Colour Photographs (Europa Militaria) before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Army Uniforms of World War II in Colour Photographs (Europa Militaria):

The opening of the former Soviet Union to the West over the past three years has made accessible, for the first time, much new material on the Red Army of the Great Patriotic War - the huge and varied forces which won some of the

greatest battles of World War II against the German invasion. This book contains a range of rare, authentic uniforms modelled and photographed in Moscow: tank commanders and generals, assault infantry and women medics, pilots and NKVD security officers, artillerymen, camouflaged scouts, and many more. The photographs are backed-up by close-ups of insignia and personal equipment.
