John W Busey, David G Martin : Regimental Strengths and Losses at Gettysburg before purchasing it in order to gage whether or not it would be worth my time, and all praised Regimental Strengths and Losses at Gettysburg:

0 of 0 people found the following review helpful. The Battle of GettysburgBy Michael DewitThis book is very interesting and I am very glad that I purchase it. I am very interested in the Civil War and this puts the war into what it cost in men. The war was a terrible period in The history of the United States.0 of 0 people found the following review helpful. Five StarsBy George E. DeutschComprehensive0 of 0 people found the following review helpful. All the I teams received were great, and the service was fastBy Hal MyersAll the I teams received were great, and the service was fast. Was very pleased with all the items sent to me.

New revised and expanded 4th edition. Layout rearranged for easier use. Confederate loss figures fully revised based on recent research. Numerous new comparative tables. Armament listed for all batteries on both sides and for all Union regiments. Length increased from 357 to 678 pages. Complete and detailed indices. Contains the most complete order of battle available on the battle.
