Dr. David N. Wiggins : Remembering Georgia's Confederates (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Remembering Georgia's Confederates (Images of America):

Found on monuments throughout the South, the sentiment “Lest we forget!” represents the theme of Remembering Georgia’s Confederates. Dedicated to the men and women who served Georgia when her heart belonged to the Confederate States of America, this volume remembers the state’s Confederate past—a time of passion, devotion,

honor, courage, faith, perseverance, sacrifice, and loss. Georgia, rich in its heritage, boasts numerous locales to visit, learn about, and remember its role in the Confederacy: the battlefields and their interpretive centers, the coastal forts, the prison camp, the world's largest painting, the world's largest Confederate memorial, a pair of locomotive engines, a number of Confederate cemeteries, and various homes, museums, and history centers.
