**R. H. Peck : Reminiscences Of A Confederate Soldier Of Co. C. 2nd Va. Cavalry.** before purchasing it in order to gage whether or not it would be worth my time, and all praised Reminiscences Of A Confederate Soldier Of Co. C. 2nd Va. Cavalry.:

1 of 1 people found the following review helpful. It was great to readBy ChrisI am Rufus' great/great...great/great? nephew (last name Peck). It was great to read, although difficult, because I could actually see quite a bit of myself in him. A fierce pride, incredible empathy and refusal to let others bring you down. If you are from SW Virginia, the

book will be better as you will recognize the places he travels. Great look at our history. 1 of 1 people found the following review helpful. Confederate Point of View By S. Wampler OK, it's kind of a difficult read, small print and in a style that slows my reading down. BUT it's a private's view in a day by day kind of a journal. My great great grandfather rode with the VA 7th Cav and would have seen some of the same action. The stereotype that the rank and file fought to keep slaves is dispelled and there is no effort to make it look glamorous. I recommend it as a way to gain insight to the Civil War.

Published in 1913, these are the recollections of R. H. Peck of his time as a member of Company C of the 2nd Virginia Cavalry during the Civil War.
