Allan Todd : Revolutions 1789-1917 (Cambridge Perspectives in History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Revolutions 1789-1917 (Cambridge Perspectives in History):

0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent book. Well written

An engaging range of period texts and theme books for AS and A Level history. Allan Todd provides a lucid

exploration of the main features of revolutions: the economic, social, political and ideological developments prior to revolution, and the roles and actions of crowds, parties, women and counter-revolutionaries. Particular attention is paid to the French Revolution of 1789, the 1848 Revolutions, the 1871 Paris Commune and the Russian Revolution of 1917. Revolutions contains a selection of primary and secondary sources.

"...interesting..." Teaching History"...these are short, focused texts - not anthologies - that add depth to traditional topics....are definitely aimed at good high school readers." Kliatt
