**David J. Eicher : Robert E. Lee: A Life Portrait** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Robert E. Lee: A Life Portrait:

0 of 0 people found the following review helpful. More than I hoped for By Customer What I really wanted this book for was the genealogical tables in the appendix. However, I also discovered it was full of interesting pictures and a sweeping biography of the subject Robert. Very pleased. 0 of 0 people found the following review helpful. Four Stars By Mike McFarland Good information about the man. 1 of 2 people found the following review helpful. Really great resource By Amahel I did a grad report and I am very happy I chose to use bio on R.E.L. It wasn't too long, or too short, had great photos, but all the information I needed. He wrote very well and I really appreciated some of the quotes and stories he utilized. Probably my favorite, I know I'll be keeping it and passing it along if people ask.

Robert E. Lee offers both a succinct biography and "the" definitive collection of photographs, important paintings, original engravings, artifacts, and significant documents pertaining to the Confederate general. Although the Civil War years are emphasized, Lee's early years, the Mexican War, and the postwar years in Lexington are amply explored.

Robert E. Lee: A Life Portrait is a fresh look at the images of this fascinating individual. Eicher's writing style is fluid and captivating and it holds your interest throughout the book. (Civil War News) Even veteran Lee fans will find new revelations in Eicher's work. (Tuscaloosa News)...everything about Eicher's production is superb, from the graceful typeface to the gorgeous binding to the sparkling prose.... the rarest of accomplishments? a book worthy of its subject. (Military Images)...the most comprehensive collection ever of photographs, paintings, and engravings to chronicle the life of Robert E. Lee. (American History)...splendid period photographs and color portraits. Its informative text is admirably balanced. (Parade) This well-written, richly illustrated book is sure to become a favorite of Civil War buffs. (Publishers Weekly)...this large beautifully illustrated book is a bargain that will find a welcome place on many a bookshelf. (North and South) About the Author David J. Eicher, author of Civil War Battlefields, lives in Waukesha, Wisconsin. Robert E. Lee IV lives in Bethesda, Maryland. Gary W. Gallagher, author of Lee and His Generals in War and Memory, lives in Charlottesville, Virginia.
