Abraham Ascher : Russia, New Edition: A Short History before purchasing it in order to gage whether or not it would be worth my time, and all praised Russia, New Edition: A Short History:

0 of 0 people found the following review helpful. but this is a pretty good attempt and a good read for those (like ...By James Sharp There is no 'short' history of Russia, but this is a pretty good attempt and a good read for those (like me)

just wanting the big picture and not all the details.0 of 0 people found the following review helpful. and he enjoyed it very muchBy CustomerIt was a gift for my brother, and he enjoyed it very much.0 of 0 people found the following review helpful. Great BookBy Suzathustra KatzenAgain, this book helped a returning college student to learn the basics about Russian history before delving into the deep stuff.

From the emergence of the first Slavic state to the election of new President Dmitry Medvedev, this is a concise and thoughtful guide to the complex and turbulent history of Russia and its people. Paying particular attention to the implications of a future without Putin at its helm, Abraham Ascher provides a skilful blend of detail and analysis for all the key points in Russian history, from the Bolshevik Revolution to the coup that ousted Gorbachev. Newly updated to cover Russia's growing economic stature as well as the mounting divergence between Russia and the US's foreign policy stance, this stimulating introduction will prove useful and enlightening for students, scholars, and travelers alike.

"A coherent account of Russia's vibrant history, explaining the complex story of Russian development with great clarity. Vividly illuminates Russia's past and shows how it has contributed to its troubled present." --Peter Waldron, Professor of Modern History- University of East Anglia "So concise and comprehensive history is a rare accomplishment. Ideal for a general reader seeking a clear, coherent narrative on the history of Russia from its origins to the present." "Lively, well-paced and thoroughly reliable, it elegantly weaves economic, social and cultural themes into a political narrative. A first-class introduction to the subject."
