Sherman Elias Walgren : Sail Easy in Peace and War: An Autobiography before purchasing it in order to gage whether or not it would be worth my time, and all praised Sail Easy in Peace and War: An Autobiography:

0 of 0 people found the following review helpful. Sherm WaldgrenBy Cindy DowdySherm is a wonderful person to talk to and to listen to. He has real stories about the war that will make your skin crawl. He was on boardship with my Father and I feel honored to have met Sherman and his beautiful wife.Cindy Dowdy

Share WWII experiences from the eyes of a young sailor away from home and in the thick of battle. His gripping tales of the bucket brigade saving the ship and watching the flag being raised on Iwo Jima are truly humbling. Sail Easy supports his narrative with previously confidential war documents few would ever have the opportunity to view. He recalls both his anguish and joy as he reminisces from his early childhood memories to present in this intriguing autobiography. This is the heartwarming story of a true American hero.

About the AuthorThe author is an adventurer and always looking for something new to experience. He holds nine battle stars from his service during WWII and shares his experiences and thrilling stories of life aboard a ship during the war years. He has tried everything from dirt track racing to designing and creating stained glass windows. His civilian life equals his military life in excitement, contentment, and pride. He and his wife of sixty years reside in Arizona.
