Sarah M Dawson : Sarah's Story: A Confederate Girl's Diary before purchasing it in order to gage whether or not it would be worth my time, and all praised Sarah's Story: A Confederate Girl's Diary:

If you were the privileged daughter of a wealthy judge, life in Louisiana in the years before the War Between the States was heavenly. 1862 brought a crashing halt to the good times. Life became hell on earth. Federal officials

singled you out for the harshest punishment because you were a known "Rebel." Rabid secessionists, hated you if you didn't proclaim your hatred for the "Yankees." An intelligent young lady with brothers on both sides of the conflict was trapped in the middle of a war she never wanted. Sarah Morgan's diary relives her joys and sorrows as she watches her home town sacked, flees in the night to escape the exploding shells yet finds joy in trivial things. Her tiny canary, a gift from her brother is her favored pet. Outings with friends and quiet family gatherings share her chronicle with the death of her two brothers. Through it all Sarah recounts life as she lived it, always against the backdrop of the war that took her from her life of privilege to refugee hovels. As the war grinds to its final conclusion, Sarah must take refuge with her older brother who has remained loyal to the union. No account of this time is more poignant and more reveling of the real life of those who kept the home fires burning.
