I feel like my life in Christ has been forever changed. I read it in less than 5 hours.I couldn't put it down. Virginia Prodan has given me an entirely different view of my relationship with my Lord Jesus Christ. She has blessed me by her book which I heard about on Janet Parshall. Thank you Virginia for impacting my relationship with Christ. It will never be the same. Whether you

have a strong faith already in Christ or are on the fence, this book will change your mind and solidify the love you know that Christ has for us. 0 of 0 people found the following review helpful. Virginia's courage faith in God is like none other. Everyone should read Saving My Assassin. Not only is it power packed and inspiring to help us know that there is power in faith, but it is also an eye opener in giving 'light bulb moments' of what is happening in America. God Bless You Virginia!!! I know our Heavenly Father is so proud of you!!

"I should be dead. Buried in an unmarked grave in Romania. Obviously, I am not. God had other plans." At just under five feet tall, Virginia Prodan was no match for the towering 6' 10" gun-wielding assassin the Romanian government sent to her office to take her life. It was not the first time her life had been threatened nor would it be the last. As a young attorney under Nicolae Ceausescu's brutal communist regime, Virginia had spent her entire life searching for the truth. When she finally found it in the pages of the most forbidden book in all of Romania, Virginia accepted the divine call to defend fellow followers of Christ against unjust persecution in an otherwise ungodly land. For this act of treason, she was kidnapped, beaten, tortured, placed under house arrest, and came within seconds of being executed under the orders of Ceausescu himself. How Virginia not only managed to elude her enemies time and again, but how she also helped expose the appalling secret that would ultimately lead to the demise of Ceausescu's evil empire is one of the most extraordinary stories ever told. A must-read for all generations, Saving My Assassin is the unforgettable account of one woman's search for truth, her defiance in the face of evil, and a surprise encounter that proves without a shadow of a doubt that nothing is impossible with God.

"Saving My Assassin is captivating and you won't be able to put it down. Virginia Prodan has written an incredible book that every American will want to read. It's rare to find a book so well written, and so emotionally powerful, and yet teaching wonderful lessons about freedom and courage and the great moral principles to which we all need to aspire. This is a must read."
