**aa : Shattered Sword: The Untold Story of the Battle of Midway By Jonathan Parshall, Anthony Tully ( Hardcover )** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shattered Sword: The Untold Story of the Battle of Midway By Jonathan Parshall, Anthony Tully ( Hardcover ):

4 of 4 people found the following review helpful. This is the most detailed depiction of the battle of ...By Michael FeeleyThis is the most detailed depiction of the battle of Midway that I have read. The authors have meticulously researched the Japanese records and have convincingly refuted many of the long held myths of the battle. A superb read.0 of 0 people found the following review helpful. Outstanding Work of the Battle of MidwayBy Bill LarkinThis is, without doubt, the definitive study of the Battle of Midway. It is great reading and an excellent reference book. I purchased a copy several years ago and gave it to a friend who's husband was flying a PBY into Midway as the battle was in progress (they got the hell out as fast as they could). This copy I'll keep for my reference library.1 of 1 people found the following review helpful. Battle of MidwayBy gordon d blankThis book is rewriting the history of the battle of Midway. The author is writing giving every minute detail. I'm about a third of the way through and learning quite a lot.
