Steven E. Woodworth : Shiloh: Confederate High Tide in the Heartland (Battles and Leaders of the American Civil War) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Shiloh: Confederate High Tide in the Heartland (Battles and Leaders of the American Civil War):

This book analyzes the pivotal battle of Shiloh in 1862, the bloodiest fought by Americans up to that time, in which Albert Sidney Johnston's desperate effort to reverse Confederate fortunes in the heartland fell just short of decisive victory. • Includes photographs and maps that clarify the historical events of Shiloh • Reveals how key decisions by several generals, sometimes based on erroneous information, had the potential to change the outcome of the battle

About the Author Steven E. Woodworth, PhD, earned his doctorate from Rice University, Houston, TX.
