A Wonderful Book By Jack Ingram This is an amazingly beautiful book and well worth the purchase price. The artifacts and photography are superb and are enough to make one yearn for the good old uniforms of the past. Packed full of some of items from superb collections.....you will love this book!

Silver Wings Leather Jackets is the sixth book in Jon Maguire's definitive series on the uniforms and insignia of U.S. Army aviation from World War I through World War II. This volume focuses on rare and unusual items not covered in the author's previous books. For this book, aviation museums and private collectors throughout the U.S. have generously opened their collections of extremely rare: AVG, Eagle Squadron, Aces, A-2 jackets, attributed general's items, OSS material, First Air Commandos, World War I wing badges, CNAC, paper items, and many other interesting and unique artifacts.
