Gwilym Davies : Sinews of War: The Logistical Battle to Keep the 53rd Welsh Division on the Move During Operation Overlord before purchasing it in order to gage whether or not it would be worth my time, and all praised Sinews of War: The Logistical Battle to Keep the 53rd Welsh Division on the Move During Operation Overlord:

A fascinating account of the feat of logistics which it took to supply of the hard fighting 53rd Welsh division from Normandy to Hamburg. A limited run Divisional publication out of print since the '50s with a new introduction and overview of the actions of the Division.
