Hasan Basri Danisman : Situation Negative: Korea 1952 before purchasing it in order to gage whether or not it would be worth my time, and all praised Situation Negative: Korea 1952:

This work offers an account, from the perspective of a young lieutenant, of the trials and tribulations of a soldier in the Third Turkish Brigade in Korea in 1952-53. Turkey was one of the first countries to support United Nations action against Communist aggression in Korea.
