Edward C. Dailey : Skirmish Red, White and Blue: The History of the 7th U.S. Cavalry, 1945-1953 before purchasing it in order to gage whether or not it would be worth my time, and all praised Skirmish Red, White and Blue: The History of the 7th U.S. Cavalry, 1945-1953:

0 of 0 people found the following review helpful. Garry Owen!By David D. LawsonAnother unit history that was published after its fight in Korea. This one was about the Famous 7th US Cavalry. Which at first did not have a good war. But then when General Ridgeway did some changes in Command. It turned into the Regiment that the American people expect and pay for.Anyways as usual with the good unit histories, one can find some really good nuggets of

history. (I will not give them away as one should read the book)0 of 0 people found the following review helpful.
