Frdeeric Bancroft, Frederic Bancroft : Slave Trading in the Old South (Southern Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised Slave Trading in the Old South (Southern Classics):

First published in 1931, the author exposes the commercial aspects of slave trading, including the breeding and rearing

of slaves for sale to Western territories. The author shows antebellum slavery to be commercial, exploitative and cruel rather than a benevolent peculiar institution
