This was written in a way that allowed persons to ...By CustomerThis was written in a way that allowed persons to gain individual knowledge of how the other side thinks. I believe that it was written very well for the information that it presented. Slavecraft gave me some insight into understanding the processes and place that a person's mind is in while maintaining their desire to serve and how deeply these desires can consume them.With Respect,Mark.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat addition to my library!

The author of Ties That Bind joins forces with a grateful slave to produce this gripping and personal account on the subject of consensual slavery. Philosophical and intense, SlaveCraft dares to delve beneath the surface of D/s relationships and give us an intimate and revealing view from a rare perspective--that of a slave.

Slavecraft delivers the unexpected impact of a spiritual treatise. -- Mark Thompson, editor of LeatherfolkSlavecraft is an important book, one that can teach us more about manifesting our core desires in real relationships. -- Patrick Califia, M.A., authorAbout the AuthorGuy Baldwin is a psychotherapist-educator whose clients include many men and women who engage in SM/leather/fetish/erotic play. He is a nationally sought after speaker and respected writer on these subjects.
