**William H. Williams : Slavery and Freedom in Delaware, 1639-1865** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Slavery and Freedom in Delaware, 1639-1865:

William H. Williams fills a gap in the literature on slavery in America. This book is the first comprehensive analysis of the 'peculiar institution' in the First State. An excellent text for courses in colonial and antebellum history, *Slavery and Freedom in Delaware* provides valuable insight into this unfortunate, unforgettable period in the nation's history.
