Herbert G. Gutman : Slavery and the Numbers Game: A Critique of Time on the Cross before purchasing it in order to gage whether or not it would be worth my time, and all praised Slavery and the Numbers Game: A Critique of Time on the Cross:

2 of 4 people found the following review helpful. Great readBy intriguedThis is an excellent piece of work that thoroughly refutes almost everything put forth in Time on the cross. This is a good reading for history students and those interested in American slavery for showing both historical methodology and a comprehensive review of the

peculiar institution.0 of 1 people found the following review helpful. Five StarsBy RGCGOOD0 of 2 people found the following review helpful. Five StarsBy Robert C.5*.

Shows how the slaves labored, not because they shared values and goals with their masters, but because of the omnipresent threat of 'negative incentives, ' primarily physical violence. This book provides a historical analysis of the debate over Time on the Cross

"Gutman has destroyed the mathematical mystique of time on the Cross, punctured its claims of novelty, accuracy, and understanding, examined the past reviews of the work, and begun a new tradition in his critique."
