that is not bent on being politically correct, but brutally honest. Written in a genuine style, this is a must read for anyone looking to understand American history, psychology, and how we can work together to rise above the slave mentality -- all of us, black, white, brown, yellow, whatever. Pick it up, great read. 4 of 5 people found the following review helpful. By" O.Climons (Canton,MS)By ollie climons Attention!! All Black People and Truth Seek's This book is a Must Read!! This book answer's all the Question's and Fill's In all the missing piece's of any thought's and Question's you may have had and didn't know where to find Them, And the Truth of what happen to a Great and Mighty Educated African People and now African American People without the biblical myth and lie's tolded by Indocnation of the Europeans educational System! 3 of 4 people found the following review helpful. Psychic Trauma; a must read for the betterment of our multi- cultural world. By enlightner There are hundreds of authors and thousands of books, essays even movies, DVDs an countless confrences, workshops speeches and college classes about the enslavement of the kidnapped Africans. None involve the reader in a journey of self discovery as do Psychic Trauma that will bring them both a new awareness of some of the unknown psychological aspects of the institution that will assist in one's release of pain, hostility, confusion and anger that allows for a more powerful an balanced understanding of what happen to us all during this - the Dark Ages - of North American conquest by the European interlopers. Pshchic Trauma for the first time for many allows to one to understand what feelings creep often unnoticed into our thoughts and behavior an blind us to the worth an value of another human being we have been conditioned to fear. Read Psychic Trauma; no more trauma and no more drama - it's possible...
