Charles E. Hurst : Social Inequality: Forms, Causes, and Consequences before purchasing it in order to gage whether or not it would be worth my time, and all praised Social Inequality: Forms, Causes, and Consequences:

3 of 3 people found the following review helpful. great text for my social stratification courseBy SHOMARI HINESGreat details in this text. It breaks done the foundation of many sociological terms concerning social inequality and the struggle for power. I would recommend this book to anyone who is interested in social behavior or social science.0 of 0 people found the following review helpful. The book came practically covered in highlighter, thanks ...By Hugh mungusThe book came practically covered in highlighter, thanks . Otherwise it was really interesting to read for my Social Inequalities class!0 of 0 people found the following review helpful. This was a great purchase!By

TeresaBook looked brand new! great!

A user-friendly introduction to social inequality. This text is a broad introduction to the many types of inequality—economics, status, political power, sex and gender, sexual orientation, race, and ethnicity—in U.S. society and in a global setting. The author provides a wide range of explanations for inequality and, using the latest research on the multiple impacts of inequality, surveys in detail the personal and social consequences of social inequality. Learning Goals Upon completing this book, readers will be able to: Understand that inequality is multidimensional Understand that it is essential to understand the explanations of the various forms of inequality in order to further a resolution to any inequality's undesirable consequences Understand the discussion of inequality in its broader, historical cultural and international context

About the Author Charles E. Hurst is emeritus professor of sociology, having taught at The College of Wooster for 38 years. His research has focused on issues of poverty and inequality in the U.S., the use of social theory to understand contemporary social issues, and the nature of Amish society. He has also served as a consultant to various countywide social agencies. He is author of *Living Theory: The Application of Classical Social Theory to Contemporary Life*, and co-author of *An Amish Paradox: Diversity and Change in the World's Largest Amish Community*, which won the Dale W. Brown 2011 Book Award for outstanding scholarship in Anabaptist and Pietist Studies.
