**James Mero Matthews : Soldiers in green: The Civil War diaries of James Mero Matthews, 2nd U.S. Sharpshooters** before purchasing it in order to gage whether or not it would be worth my time, and all praised Soldiers in green: The Civil War diaries of James Mero Matthews, 2nd U.S. Sharpshooters:

0 of 0 people found the following review helpful. Quick ReadBy Richard A. GimbertThis book will not be able to give the reader great insights into the US Sharpshooters on it's own. Matthews touches on some things that are explained in greater details in other writings, such as the men's dislike for Colonel Berdan. It also gives no significant insights into the utilization or combat of the US Sharpshooters. It is insightful into the living conditions and personal challenges of an individual Soldier during the Civil War.0 of 0 people found the following review helpful. Amazing!By Nikki TernanGreat book. Love journal personal account types of books. I think it's the best insite into the life of the men and into the war and life during the war.
