**Arthur E. Green : Southerners at War: The 38th Alabama Infantry Volunteers** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Southerners at War: The 38th Alabama Infantry Volunteers:

6 of 7 people found the following review helpful. Genealogy, not Civil War history By A Customer If you are interested in Civil War history I would recommend that you leave this book on the shelf. However if you have a family member who served in the regiment then it might be a nice keepsake. Less than 40 pages are devoted to the history of

the regiment and you would be just as well off to read the regiment's reports in the Official Record. Most of the pages are filled with the names of roster of the regiment. There is very little to grab hold of in this book. Even the roster seems to be limited to what was found on the National Archives Compiled Service Records. Overall a real disappointment and not at all what I was expecting. 11 of 13 people found the following review helpful. Genealogy, not Civil War history  
By A Customer  
It was quite a disappointment to find that almost 300 pages of this 400 page book were dedicated to a roster. The roster appears to come directly from the National Archives compiled service records. Only 39 pages are dedicated to telling the history of the regiment. The roster is just the basic information from the Natl. Archives and there is no indepth statistical analysis of the regiment. This book is very basic and would rank near the bottom of regimental histories that I have read over the past decade. 3 of 3 people found the following review helpful. Invaluable Personal Information On Soldiers Of The 38th  
By Barry N. Wyatt  
How did a boy 190 miles away end up enlisting in the 38th Alabama Infantry Regiment at Ft. Gaines, Ala., in a Company designated for a County other than his own? Art Green explains how in this book. After 5 yrs of fruitless searching, with his information, and the detailed personal accounts provided about my ancestor, this book led me on a journey to my ancestor's burial spot within the Unknown Confederate Dead Section of Atlanta's Oakland Cemetery. A true treasure for 38th Alabama Infantry descendants.
