From The Aviation Bookshop Publishing : Squadrons, Patches, Heraldry Artwork of the Indian Air Force 1932-2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised Squadrons, Patches, Heraldry Artwork of the Indian Air Force 1932-2016:

This book aims to record as may patches as possible from teh flying units together with a brief resume of each unit, where known. Phil Camp has collected more than a 1000 patches of the Indian Air Force in an effort that spanned two

decades. In this book, Phil traces out the origins of the squadrons and units of the IAF, their heraldry, artwork and patches history.
