FitzExcellent volume, many photographs of good quality I have never seen before. Use them for inspiration in making dioramas from 1/35 scale military miniatures.0 of 0 people found the following review helpful. Five StarsBy Gail McNeilGood book!

Rare photographs from both official and unofficial SS sources illustrate the role of the individual in this epic struggle. This is a candid and comprehensive picture of warfare on the Russian Front at the sharp end. These were the men who manned the trenches, climbed mountains and marched across the endless steppe in all seasons.

About the Author Bob Carruthers is an Emmy Award winning author and historian, who has written extensively on the Great War. A graduate of Edinburgh University, Bob is the author of a number of military history titles including the best seller *The Wehrmacht in Russia*.
