David J. Vaughan : Statesman and Saint: The Principled Politics of William Wilberforce (Leaders in Action) before purchasing it in order to gage whether or not it would be worth my time, and all praised Statesman and Saint: The Principled Politics of William Wilberforce (Leaders in Action):

0 of 0 people found the following review helpful. but purchased as a gift for my cousin and good friend to enjoy and be uplifted By John O. Gould, Topeka, KS This book was new - just as advertised. I haven't read it myself, but purchased as a gift for my cousin and good friend to enjoy and be uplifted. Eric Metaxas has written a longer

biography, entitled "Amazing Grace," but this shorter, more simple volume seemed just right for my purposes. 3 of 3 people found the following review helpful. Great book
By LetetiaI found this book to be a great source in helping my students understand the implications of the French and Haitian Revolution on the sugar revolution as well as the work of the abolition movement in Europe particularly England.

By Reginald Blountexcellent book about this great saint

This moving biography of Wilberforce tells the story of his religious conversion in 1784 and his rise to leadership of the Clapham Sect - a group of evangelicals active in political, philanthropic, and religious causes. Under his leadership, the Saints, as they were called, championed parliamentary and prison reforms, missionary endeavors, Bible distribution, and a host of other charitable efforts and organizations. These causes included the Church Missionary Society (established in 1799) and the British and Foreign Bible Society (founded in 1804). Statesman and Saint also describes Wilberforce's unrelenting forty-year crusade against slavery, in spite of many defeats in Parliament. He laboured for eighteen years to secure the abolition of the slave trade, enduring personal criticism, deep-seated prejudice, and threats on his life for another twenty-six years before he saw the Emancipation Bill finally passed in July 1833. His influential book, *A Practical View*, laid the foundation for the moral elevation of the Victorian Era that followed his death only three days after the Emancipation Bill was passed in Parliament.

About the Author
David J. Vaughan is the pastor of Liberty Christian Church and director of the Liberty Leadership Institute, which is dedicated to training individuals for leadership positions in church, family, and society. The editor of the St. Louis Metrovoice newspaper, he also is the host of Encounter, a radio program in St. Louis, Missouri. He and his wife, Diane, and their four children live in the St. Louis metropolitan area.
