This volume covers information about Ernest Everett Just, Christiana in 1851, Mary Ann Shadd, and much more.

Topics such as the Fugitive Slave Act, emancipation in the District of Columbia and the Department of Justice's Ferguson Report are also covered. Since 2014 we have released stories about black history every month and, now, we are including those stories in ebook and hardcopy forms. We hope to promote positive images of ourselves and others and to spread important information about black history to future generations! Please share this with a friend!
