Desmond Ball : Strategic Nuclear Targeting (Cornell Studies in Security Affairs) before purchasing it in order to gage whether or not it would be worth my time, and all praised Strategic Nuclear Targeting (Cornell Studies in Security Affairs):

0 of 0 people found the following review helpful. Authors do a great job of describing and analyzing nuclear war and how ...By growingoldoffensivelyThe book is a study of nuclear war, seriously dated as it was written back in the Cold War. Knew that when I bought it - read it before, back when it was current. Authors do a great job of describing and analyzing nuclear war and how nuclear weapon systems would be deployed. Military and political history buffs might find it interesting even as it leaves them asking themselves the question "Were we really that nuts?". Yes, we were.

Summary of nuclear statecraft.
