Diane P. Koenker, William G. Rosenberg : Strikes and Revolution in Russia, 1917 (Princeton Legacy Library) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Strikes and Revolution in Russia, 1917 (Princeton Legacy Library):

More than seventy years since the Bolsheviks came to power, there is still no comprehensive study of workers' activism in history's first successful workers' revolution. *Strikes and Revolution in Russia, 1917* is the first effort in any language to explore this issue in both quantitative and qualitative terms and to relate strikes to the broader processes of Russia's revolutionary transformation. Diane Koenker and William Rosenberg not only provide a new basis for understanding essential elements of Russia's social and political history in this critical period but also make a strong contribution to the literature on European labor movements. Using statistical techniques, but without letting methodology dominate their discussion, the authors examine such major problems as the mobilization of labor and management, factory relations, perceptions, the formation of social identities, and the relationship between labor protest and politics in 1917. They challenge common assumptions by showing that much strike activity in 1917 can be understood as routine, but they are also able to demonstrate how the character of strikes began to change and why. Originally published in 1990. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

About the Author Diane P. Koenker is Professor of History at the University of Illinois at Urbana-Champaign. She is the author of *Republic of Labor: Russian Printers and Soviet Socialism, 1918-1930* and *Club Red: Vacation Travel and the Soviet Dream*, and is the coeditor of *Turizm: The Russian and East European Tourist under Capitalism and Socialism*, all from Cornell.
