**Jonathan Riley-Smith : The Crusades: A History: Third Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Crusades: A History: Third Edition:

8 of 10 people found the following review helpful. Extensive Crusades coverageBy ReneRLopez-DorticosThis is a well-researched book. It is not an easy read because it contains a lot of information. I do not recommend it to those who look for short introductory book with basic historical narratives. However, if you are a History buff you will find it delightful to read.3 of 5 people found the following review helpful. A great resource.By Richard GuiderTop notch.

A great resource. 3 of 7 people found the following review helpful. easy to read and  
By Carly McKay Approachable  
take on the Crusades, easy to read and understand

The Crusades: A History is the definitive account of a key topic in medieval and religious history. Jonathan Riley-Smith, a world authority on the subject, explores the organisation of a crusade, the experience of crusading and the crusaders themselves, producing a textbook that is as accessible as it is comprehensive. This exciting new third edition includes:- Substantial new material on crusade theory, historiography and translated texts- An expanded scope that extends the text to cover the decline of crusading in the nineteenth century- Valuable pedagogical features, such as a revised bibliography, maps, illustrations and a brand new chronology This book is essential reading for all students and scholars seeking to understand the Crusades and their significance in world history.
