For meBy Tom CI had the pleasure of working with the Author when the Hunley was being released as a documentary on I think as an A E special. A wonderful story. For me, I received the benefit in hearing the stories in how some of the research was acquired. Mr. Campbell loved reenactments and spoke very fondly of this history.13 of 18 people found the following review helpful. An Excellent AccountBy A CustomerThe best, concise, account of the Confederate submarine so far. Far superior to any

others.
