Peter Goldman : The Death and Life of Malcolm X (Blacks in the New World) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Death and Life of Malcolm X (Blacks in the New World):

For this paperback edition of a major work on one of the most important black leaders of this century, the author, a senior editor of Newsweek, has added a substantial epilogue which argues convincingly that three of the five

accomplices in Malccolm X's assassination in 1965 are still free. (Univ. of Illinois Press)
