I learned about the North Korean invasion down to Sourth Korea during the Korean War with help of bigger communist countries like China and Russia. Even as patriotic family as Mija Rhee's household, their family brliefs for supporting Korea was split between communism and democratic Republic of Korea. This book also revealed to me that North Koreans are just as friendly, affectionate, good-hearted, kind, and loving people as

South Koreans. However, these North Koreans are overshadowed by their strict military, communism tenets obfuscating their humanitarianism. It is suspenseful, romantic, and patriotic. I could not put the book down till I completely finished it. 0 of 0 people found the following review helpful. great read By Roger I enjoyed this book very much. Great history lessons. All of CHI SUN RHEE books are very great reads. So do yourself a great favor pick up all her books. You will like them all very much.

Book 3 - The Devastation To Greatness is part of a four part series which encompasses the history of Korea from the 1940 invasion by Japan to the present. In the first volume, Mija, a Korean girl and Ichiro, a Japanese college student, accidentally fall in love. Although parents of both offspring order the two to avoid meeting, they disobey their parents and marry. Through this marriage, a variety of obstacles are created and we learn the intimate details of Korean culture, history, and manners. The conflict between Japan and Korea, symbolized in part by this unusual marriage, threatens to tear the fabric of such a union. Through the eyes of Ichiro, we learn much about South Korea, its strong work ethic, its ability to move onward against impossible odds. Author Bio: Chi Sun Rhee is a retired gynecologist/obstetrician. She is the mother of two sons and a daughter and is the author of several acclaimed novels.
