James (Ed.) Marchington : The Encyclopedia of Handheld Weapons before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia of Handheld Weapons:

0 of 0 people found the following review helpful. Great Book to have on hand when researching weapons.By johnnysbackagainVery educational. Helped with my research.

Just as the title suggests, this is a large book just full of mostly BW photos and descriptions of deadly hand held weapons for fun profit.
