**Mikel Hogan : The Four Skills of Cultural Diversity Competence (Methods/Practice with Diverse Populations)**  
before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Four Skills of Cultural Diversity Competence (Methods/Practice with Diverse Populations):

1 of 1 people found the following review helpful. One Star By sparkthe exercises in this book are a waste of time. 0 of 0 people found the following review helpful. Five Stars By Rachelle Saldate Great! 0 of 0 people found the following review helpful. Five Stars By Customer FYI The ebook seems to be a "scanned" textbook

Hogan's updated fourth edition of **FOUR SKILLS OF CULTURAL DIVERSITY COMPETENCE: A PROCESS FOR UNDERSTANDING AND PRACTICE** provides you with the tools necessary to help you become a culturally competent practitioner in today's diverse environments. This practical, relevant text provides not only the

fundamentals of cultural competence but also the skills to increase cultural awareness and effective interpersonal techniques.

Preface. 1. Introduction: Cultural Diversity Competence: A Proactive Response to Change and Cultural Complexity. 2. Skill One: Understanding Culture as Multilevel. 3. Skill Two: Understanding the Six Barriers. 4. Skill Three: Practicing Culturally Centered Communication Skills. 5. Skill Four: Designing and Implementing Organizational-Cultural Competence. About the Author Dr. Mikel Hogan is Professor of Anthropology and Human Services at California State University, Fullerton. She also served as the chair of the Human Services Department from 1997 to 2004. Dr. Hogan, an applied cultural anthropologist, has taught courses on organizational, medical, educational, and psychological anthropology, as well as a variety of human services courses, including Introduction to Human Services, Crisis Intervention, Cultural Diversity, and Fieldwork Practice. Along with teaching, Dr. Hogan's professional work specializes in organization anthropology in the fields of business, education, government, health, and human services. Her scholarly work is considerable. She has published extensively on her cultural competence training model, effective teaching strategies, and the cultures and cultural change in the United States.
