Out-of-print. Autographed and numbered first edition! Book #353 out of a print run of 1,000. MINT condition, never been read, spine unbroken, tight, no writing or markings inside or outside of book. PLEASE NOTE: These books came with white dust covers and with black ink on each jacket back, hence the front covers have some "graying" from the back cover of books stacked on top rubbing on them during shipping. Will ship with delivery confirmation at NO extra cost to you!
